Lead carbon								
Lead-acid	Support							

- Details correct at time of going to press.
- Installing a non-compatible battery will VOID the inverter warranty.
- The chart shows you which Solis inverter is compatible with which battery.
- Batteries to be purchased separately. Solis shall not be responsible for the quality of the battery or service provided by the battery supplier.
- The battery brand in the table above, if there is no corresponding option when selecting the battery model, you can select the "lithium battery" option to work
